

Distribution Network Management

Unlock the potential of your fund distribution strategy

About Acolin

Acolin connects asset managers to new distribution opportunity by acting as an independent partner to resolve complex cross-border fund distribution challenges.

Distribution Network Management

Gain access to Acolin's growing network of over 3,000 global distributors comprising key fund platforms, banks and other distribution partners. As the only counterparty, Acolin manage all administrative tasks and ensure regulatory compliance through contract management, distribution oversight, data services and commission calculations.

Delivering on your distribution goals

Contract Management

- One counterparty agreement providing access to up to 3,000 distributors
- Set up and maintenance of distribution contracts
- Regular contract reviews to maintain compliance with local regulation

Distribution Oversight

- Comprehensive oversight of distribution partners
- On-going verification of regulatory compliance and licenses of distributors
- Quarterly compliance reports

Commission Management

- Calculation and management of commission payments
- Calculation, reconciliation, and payment of trailer fees to relevant distribution partners.

Data Management

- Data collection
- Data validation
- Data distribution

To your selected distributors
