Research and Forward Thinking – Strategic Advice

About Acolin

Acolin connects asset managers to new distribution opportunities by acting as an independent partner to resolve complex cross-border fund distribution challenges quickly.

In November 2024, Acolin acquired Accelerando Intelligence, a leading pure-play European fund distribution consultancy providing bespoke strategic advice and research to asset management firms worldwide.

About Acolin Intelligence

Acolin Intelligence specializes in European fund distribution, providing tailored research and strategic advice across all European jurisdictions and investor channels. We deliver clear, practical, and actionable insights through comprehensive assessments and forward-thinking recommendations, helping clients meet their objectives and anticipate key opportunities and challenges.

- **Market Generic Reports** allow you to stay informed on key trends shaping the asset management and fund distribution landscape. These reports include:
 - **The Weekly Fund Distribution Notes** give you insights, observations and opinions on weekly news and the latest trends in the fund distribution industry.
 - **The biannual European Fund Distribution Landscape Report** provides you with a deep dive into fund flows, drivers behind, outliers as well as fund buyer, sub-advisory and product trends.
- **Client-specific reports** – _generated for tailored intelligence, helping clients assess competition and make strategic decisions. These reports include:
 - **Peer Group Reports** represent an in-depth analysis of AUM, fund flows, and competitive rankings, tailored to asset managers and based on product range.
 - **Bespoke Research and Strategic Advice** on European market entry studies and distribution optimisation on specific country or channel entry studies, as well as distribution setup optimisation. Detailed assessment of product competitive landscape, as well as the tier one fund buyer discovery.
- Regular **one-to-one discussions** on the industry trends, relevant topics and successful distribution strategies, upon demand.
- Choose between **subscription-based offerings** or **individual reports**
