

Accelerando Third-Party Marketing

TPM Excellence - Since 2004

About Acolin

Acolin connects asset managers to new distribution opportunities by acting as an independent partner to quickly resolve complex cross-border fund distribution challenges.

In November 2024, Acolin acquired Accelerando Third-Party Marketing (TPM), one of Europe's longest-existing and most recognized third-party marketing providers in Germany.

About Accelerando TPM

Accelerando TPM partners with exceptional asset managers, providing comprehensive support and guidance in every aspect of fund distribution across all qualified investor channels. As one of Europe's most established and respected third-party marketing firms, we take pride in our strong reputation and the enduring nature of our client and investor relationships, built on trust, transparency, and ongoing collaboration.

- Established expertise, and undisputed reputation with 30 years of fund sales experience per head
- Selective clients focus on working with a limited number of asset managers, ensuring strategic partnerships beyond pure sales
- Comprehensive service including also operational advice and support, platform onboarding and detailed monthly client reporting
- Identifying the most suitable investor types for each strategy across wholesale and institutional distribution channels
- Extensive networking covering over 500 professional investors in Germany, with many relationships spanning more than 20 years

Our integrated four-stage approach across the fund distribution lifecycle

We prepare you with the best practice know-how of your target audience, market and pricing.

Our in-house legal team will ensure all boxes are ticked to set you up correctly in your target markets.

A unique range of support services that can help you capture opportunities as you grow.

Improve your outcome and learn valuable lessons with our essential distribution analysis
